

I'M DRIVIN' ON SUNSHINE, WHOA OH!

Why pay at the pump or to the power company when you could be charging for free?

Whether you have a Nissan, Chevy, BMW, or Tesla electric vehicle there is no reason to pay more to drive.

Solar is an environmentally friendly and renewable energy source that can power your car. Tap into the power of the sun today.

Blue Mountain Solar is now offering an EV/ Plug In Hybrid Package perfect for California drivers. It consists of:

- Six roof mounted solar panels
- Level 2 240 volt fast charger
- Installation and warranty

FOR ONLY \$9,999
